# Librarian's Report

---

The town of Moultonboro celebrated its Bicentennial — from July 8 - 10. Part of the program was listed as open house at the library. During Saturday afternoon folks were free to inspect the library and many did so.

During the past year the following books have been added to the Memorial Shelf. They are Birds of America in memory of David King; Pepperidge Farm Cookbook in memory of Mrs. "Jeppie" Davisson — both from Friends. The W. S. C. S. gave the following books: John Wesley in memory of Mrs. Nettie Taylor; Upon this Rock in memory of Mrs. Ruth Covert; and David in memory of Mrs. Attie Berry. Memorial gifts are always welcomed and may be made to the library at any time.

In April, the school library branch will have been in effect for five years and is still as popular and as useful for both pleasure reading and supplementary reference work as when started in 1959. Isabelle Behr, Hazel Dale and Margaret Lamprey are in attendance on Thursday mornings.

This past summer, Miss Virginia Price assisted the librarian as the circulation increases in the summer months in proportion to Moultonboro's increase in population. Many of the summer folks have been very generous in giving books and donations to the library. I would especially like to mention Mrs. Emma Nash, who gave a fine set of Shakespeare, which we needed, and many science text books.

The reports received from the N. H. State Library for 1962 indicate that Moultonboro is fourth in the state in per capita circulation with 21.3 books per person and an expenditure of \$4.42 per person.

# Forest Fire Warden's Report

---

During the past year New Hampshire faced the greatest fire threat to its woodlands in more than sixty years. The continued drought brought home to our citizens, as never before, the potential threat of destructive fires to their beautiful and valuable forests, homes and livelihood. In true American tradition of meeting a common threat by volunteer effort, this fire danger was minimized by active prevention, patrol and a relinquishing of personal rights for the common good. It was the greatest demonstration of public cooperation ever experienced by those responsible for local and state fire control. The ready forces of volunteer fire services kept the losses low. For their effort and public response the general fire service expresses its heartfelt thanks for a job well done.

Prevention however, is not just an activity for the bad fire years. It must be practiced until it becomes a part of our public conscience—a habit. Just plain carelessness with fire causes too many of our fires.

The following practices and suggestions will help:

1. Always have a permit for outdoor burning and burn within the terms of the permit and in a safe place. Burn late in the afternoon when the wind is down or on rainy or damp days. Check your fire and if winds develop extinguish it promptly.
2. Carry your rubbish to the public dump — it's safer. A neglected backyard incinerator causes many fires.
3. Never discard lighted cigarette or match. Make this a year round habit regardless of the safety of your surroundings.
4. Children caused fires are now a major concern. Keep matches away from them and teach them to respect fire and not make it a subject of play.

Let's all join with "Smokey the Bear" and Keep New Hampshire Green" and growing in 1964.

The moderator stated that due to the clerk's absence from the state the first order of business would be the election of a clerk pro tempore.

Mr. Gilbert Wiggins moved that a clerk pro tempore be elected as required by RSA 197:20, that nominations for clerk pro tempore be from the floor and that the election of said clerk pro tempore be by secret written ballot. The motion was seconded by Gordon Foss. On voice vote the vote was in the negative and the moderator declared that the motion did not carry.

There being no discussion the meeting proceeded to a voice vote. The voice vote was in the affirmative and the moderator declared that the motion had carried.

The moderator called for nominations for clerk pro tempore. Theodora Woodman nominated Elinor Davis. This nomination was seconded by Louise LaPlante. Vera Rockefeller nominated Dortha Wiggins. This nomination was seconded by several persons.

Mr. Stewart Lamprey moved that the nominations close. This motion was duly seconded. The moderator called for discussion on the motion. There being no discussion the meeting proceeded to a voice vote. The voice vote was in the affirmative and the moderator declared that the motion had carried.

Mr. Stewart Lamprey moved that the election of the clerk pro tempore be by a show of hands. This motion was duly seconded. The moderator called for a discussion on the motion. There being no discussion the meeting proceeded to a voice vote. The vote was in the affirmative and the moderator declared that this motion had carried.

The moderator appointed Stewart Lamprey as teller to assist in counting the votes.

The meeting then proceeded to vote by a show of hands.

The moderator announced the results of the voting as follows:

Total number of votes	216
Elinor Davis	78
Dortha Wiggins	138

The moderator declared that Dortha Wiggins had been elected clerk pro tempore. The moderator administered the oath of office to Mrs. Wiggins as clerk pro tempore.

The moderator then read the warrant for the meeting in its entirety and also read the certificate of the school board as to the posting of the warrant in public places.

The moderator then reread Article #1 of the warrant.

Mr. Gilbert Wiggins offered the following resolution and moved its adoption.

Resolved: That the Moultonboro School District petition the State Board of Education to become a member of a Cooperative School District which may include, in addition to this district, the following: Alton, Brookfield, Effingham, New Durham, Ossipee, Tuftonboro, Wakefield and Wolfeboro.

The resolution was seconded by Gordon Foss.

Gordon Foss moved that the voting on Article #1 be by printed "Yes" and "No" ballot and that the polls remain open for this purpose until six o'clock this afternoon. This motion was duly seconded by several persons.

On a voice vote the vote was in the affirmative and the moderator declared that the motion by Gordon Foss had carried.

The moderator then called for discussion on the resolution offered by Mr. Wiggins. A lengthy discussion ensued. Mr. William Visser was recognized by the chair. Mr. Visser asked the voters to think of the future of the pupils and the town. He first pointed out that transportation was more than a question of just time and distance. He felt that the costs of transporting pupils to Wolfeboro were uncertain. He also discussed the problems of feeder routes to the main bus route.

Mr. Visser then compared the estimated enrollment of the proposed Governor Wentworth School to that of Inter-Lakes. He stated that the 1000 enrollment figured earlier for Governor Wentworth School was now estimated at 733 while Inter-Lakes figured an enrollment of 546 pupils. He said that if Moultonboro joined with Inter-Lakes the num-

ber of pupils enrolled in the two schools would level off so that there would be little difference between the two.

Mrs. Vera Rockefeller being recognized by the chair wished to thank Mr. David Hammond for the excellent written report of the comparison of the proposed schools which he had mailed to the citizens of Moultonboro.

Mrs. Cora Roth being recognized by the chair spoke on distance and time required by her son to travel to Inter-Lakes. She questioned the enrollment figures suggested previously by Mr. Visser.

Mr. Harold Edwards moved that the discussion be closed and that the meeting proceed to vote. The motion was seconded. Many "No's" were heard from the audience.

The moderator then recognized Mr. Stewart Lamprey on a point of inquiry. Mr. Lamprey inquired as to what would happen to the pupils from Moultonboro during 1963.

Mr. Visser answered by stating that he wished we had the answers. He further stated that this problem had been anticipated but not resolved and had been an increasingly acute problem since both Laconia High School and Brewster Academy had refused to accept any more Moultonboro tuition pupils. He then added that Brewster Academy did not definitely refuse to take Moultonboro pupils but gave no assurance that they would.

Mr. Harold Edwards attempted to get his motion that the discussion be closed and that the voting begin, voted upon but the moderator ruled that Mr. Lamprey had the floor. Mr. Lamprey's remarks continued. Mr. Lamprey yielded the floor to Messrs. Edward Dufault and Roger Person each of whom made brief remarks.

Mr. Richard Vappi, being recognized by the chair, asked Mr. Visser if the pupils would be able to go to school if the vote were favorable to Wolfeboro. He was assured by Mr. Visser that provisions would be made to accommodate the pupils.

Mr. Arthur Solomon suggested that the debates be limited to two minutes but no motion was made.

Mr. Nighswander, counsel for the Moultonboro School Board, stated that the moderator could decide how long the discussions could be and no vote was taken.

Mrs. Chester Wilder expressed a hope that there would be no unpleasantness after the meeting.

The moderator then called for a vote on the motion of Mr. Harold Edwards that the discussion close and that

the voting begin. On a voice vote, the vote was in the affirmative and the moderator declared that Mr. Edwards' motion had carried.

The moderator then stated that there was no legal requirement that the checklist be used at the meeting.

The moderator then read to the meeting the provisions of RSA 197:11 and RSA 197:13 relative to the qualifications of voters and the penalties for wrongful voting. There was no request that the checklist be used.

The moderator declared the polls open and the meeting proceeded to vote on Article #1 by secret "Yes" and "No" ballot.

At 5:55 o'clock in the afternoon the moderator warned that the polls would close in five minutes. At 6:00 o'clock in the afternoon the moderator asked if all those then present had voted. No one indicated that he had not voted and the polls were duly closed by the moderator.

The moderator and the school board appointed Theodora Woodman, Mary Smith, Maurice White and Nelson Lambert as inspectors to assist the moderator, and clerk pro tempore in counting the votes. After the ballots were counted the moderator announced the results of the vote on the resolution for Article #1 offered by Mr. Gilbert Wiggins as follows:

Total votes cast	462
Number of votes needed to adopt resolution	232
Number of "Yes" votes	241
Number of "No" votes	221

The moderator announced that since more than a majority of the qualified voters present and voting had voted in the affirmative the resolution offered by Mr. Wiggins had been adopted.

The meeting then recessed until eight o'clock in the afternoon.

The meeting was again called to order by the moderator at eight o'clock in the afternoon. The moderator then read Article #2 of the warrant. Mr. Gordon Foss moved that the district elect two representatives to serve with representatives from the other school districts on an interim committee who shall prepare a financial budget for the proposed Cooperative School District. The motion was duly seconded by William Rathman. The moderator called for a discussion on the motion. There being no discussion the meeting proceeded to a voice vote. The vote was in the affirmative and the moderator declared that the motion had carried.

The moderator called for nominations for representatives to serve on the interim committee. Mr. Richard Vappi nominated Gilbert N. Wiggins and David E. Hammond as two representatives to serve on the interim committee. The nominations were seconded by Mr. Lawrence Porter. The moderator asked if there were any further nominations. After several moments of silence Mr. Lawrence Porter moved that the nominations close. This motion was duly seconded.

The moderator called for a discussion on the motion. There being no discussion the meeting proceeded to a voice vote which was in the affirmative and the moderator declared that the motion had carried.

The moderator then called for a voice vote on the election of the two nominees to serve on the interim committee. The voice vote was unanimously in the affirmative. There being no negative votes the moderator then declared that David Hammond and Gilbert Wiggins had been duly elected as representatives to serve on the interim committee.

The moderator then read Article #3 of the warrant.

No further business was brought before the meeting.

Mr. Lawrence Porter moved that the meeting be adjourned. The motion to adjourn was seconded by several people. On a voice vote the motion to adjourn was adopted and the moderator declared the meeting adjourned at 8:10 P. M.

Respectfully submitted,

# Moultonboro School District Meeting

## Moultonboro, N. H.

---

April 16, 1963

The School District Meeting was called to order by the Moderator, Maurice B. White, on April 16, 1963 at the Moultonboro Central School Auditorium.

The Moderator read the warrant, declared the polls open, and voting began with the polls to remain open until 9:00 P. M.

The Moderator called the business meeting to order at 8:00 P. M. Mr. White re-read the warrant.

On Article 2 it was voted to appoint the salaries of the School Board and Attendance Officer and fix the compensation of all other officers and agents as printed in the proposed budget 1963-64 of the Moultonboro School District as printed, copies of which were available for all present.

It was voted to accept the reports of Agents, Auditors, Committees, and officers chosen as printed in the school report.

On Article 4 "To see what action the District will take relative to authorizing the School Board to negotiate a contract with another District for the education of the secondary pupils for the year 1963-64", an explanation was given by Mr. William Visser, Chairman of the School Board. He said that in their efforts to make arrangements for schooling of our high school students until the construction of the new cooperative school, they had contacted Inter-Lakes, Plymouth, Tilton-Northfield, Bristol, Franklin, Laconia, Ashland, Conway and Brewster to see if our students might be accepted on a tuition basis next year. Mr. Visser reported that, considering the qualifications, curriculum, and transportation, Plymouth was the logical choice. The Plymouth School Board had voted to accept the Moultonboro students on a tuition basis of \$430 per student. On motion of Leonard Plaisted, seconded by Gordon Foss, it was voted to negotiate a contract with the Plymouth School District.

Article 5 of the warrant, following an explanation of the proposed budget by the School Board, was then voted upon. It was voted unanimously to raise the sum of \$119,379.12 for the ensuing year for the support of schools.

It was a vote in the affirmative to authorize the School Board to make application for and to accept, on behalf of the District, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States.

Mr. Gilbert Wiggins, Interim Board Member, reported on the Board's work in Wolfeboro and urged attendance at the Organizational Meeting of the new Governor Wentworth District at which time Moultonboro voters will elect a regular member of that board. Mrs. Elizabeth Hammond has filed for this position.

It was voted that the School Board be authorized to appoint Agents or Committees whenever necessary.

At 9:00 P. M. the Moderator inquired if all had voted and then closed the polls.

The business meeting was adjourned at 9:35 P. M. and the ballots counted with the following results:

# Report of Superintendent of Schools

---

To the School Board and Citizens of Moultonboro:

I respectfully submit my ninth annual report as your Superintendent of Schools.

## Staff

The opening of school in September noted only two changes in the staff. Mr. Robert S. Prescott, a graduate of Keene and Plymouth State Teachers College, replaced Mrs. Marion Lindsey in the departmental set up in Grades Six through Eight. Mrs. Clyde C. Brown, R. N., returned as Nurse-Teacher after a years leave of absence.

## Additions and Improvements

During the summer recess the walls in the Auditorium-Gymnasium and corridor were painted by the Custodian. The range in the school lunch program was replaced with a larger one. A master clock system for ringing bells was installed. The program of improvement of the grounds was continued by adding fertilizer to the lawn and play area.

## Cooperative School

At the Special School District on March 2, the District voted in favor of petitioning the State Board of Education to become a member of a Cooperative District to include the following districts of Alton, Brookfield, Effingham, New Durham, Ossipee, Tuftonboro, Wakefield and Wolfeboro.

As a result of the favorable votes taken by the Effingham, Moultonboro, New Durham, Ossipee, Tuftonboro and Wolfeboro School Districts, the State Board of Education at a meeting on March 11, 1963 approved the organization of a Cooperative District, Grades One through Twelve.

The Organizational Meeting was held on April 20, 1963 at the Brewster Academy Gymnasium. A copy of the minutes of this meeting are included in another section of the School Report.

The Sandwich School District was annexed to the Inter-Lakes Cooperative at a re-organization meeting in April of 1963, and with the closing of Quimby School at Center Sandwich, the Sandwich pupils were transferred to Inter-Lakes High School.

With the transfer of the Sandwich pupils, the Inter-Lakes High School was not able to accommodate all the high schools pupils from Moultonboro, and after much study

by the School Board, an agreement was reached, and the pupils in Grade Twelve were assigned to Inter-Lakes High School and the Plymouth School Board agreed to sign a contract to accommodate the pupils in Grades Nine through Eleven until the new high school at Wolfeboro is ready.

Under the supervision of Roger E. Person, Principal of the Moultonboro Central School an opportunity for participation in basketball was set up and the team has played games with high and prep schools in this area.

### **Costs**

The property tax assessment for the school year 1963-64 is \$118,582.75 which is 46.59% of the total property tax. Considering the State as a whole, an average of fifty-seven percent of all local property taxes are earmarked for the support of schools, and one-half of all N. H. School Districts designate at least 65% of the property tax for school purposes. The Moultonboro School tax rate per \$1,000 of assessed valuation is 17.70% and the state average is 29.35% and this rate is due to the high valuation of the Town.

### **Conclusion**

On July 1, 1964 the Moultonboro School District, as a part of the Governor Wentworth Cooperative School District will be under the supervision and administration of the Wolfeboro-Pittsfield Supervisory Union.

It certainly has been a pleasure to work with the various Board Members during the past nine years, and look back on the progress made. I wish to take this time to express my appreciation to them, the Teaching Staff, Custodian, School Lunch Supervisor, Transporters, elected Officers and P. T. A. members for their fine cooperation and sincere devotion to their responsibilities.

# Report of the School Nurse

---

## September — December 1963 Inclusive

This year the nurse is scheduled to be in Moultonboro one day a week usually on Tuesday.

All students were examined in September by Dr. Ratsep, school physician.

Vision tests have been completed for each student. A notice was sent home by those found to have a defect suggesting further examination by their family eye doctor.

Poly-Vi-Sol Vitamin tablets are given free to all children. These are being donated by the Grange, P. T. A. and the Red Cross.

An added test for the children this year was the Visual Color Test. This is to check for color blindness and even though nothing can be done to cure this, it is increasing in importance to know about the defect especially in choosing a vocation.

Some children attended the Speech Clinic held in Meredith December 4, 1963. Mrs. Lawrence, Speech Pathologist, and her team from Portsmouth Rehabilitation Center were at the Clinic to screen the children on the degree of a speech problem. A detailed report is to be sent to the school to aid in improving this defect. The Pythian Sisters donated towards the Clinic so the children could attend.

Routine heights and weights were checked for each child in the fall and frequent inspections for cleanliness were done.

The cooperation of the members of the school board, superintendent, principal, all school personnel, school doctor and parents of the community has been appreciated.

Respectfully submitted,

AMY L. BROWN R. N.

School Nurse
